【ATTENTION】

- Please use WIRED earbuds.
- Disconnection or noises might happen if your Wi-Fi or carrier connection is weak.
- The app should be updated to the latest version. Restart it if you cannot hear voice.

- Using the app "interprefy" is recommended. If it cannot be download, please enter from Google Chrome. (You cannot access from Internet explore.)

- In addition to the PC to join the meeting, please use another device for interprefy to hear the translation. (needed 2 devices in total)

(Example) Smartphone+PC, iPad+PC, PC+PC

- From the "interprefy," you'll hear only the voice of interpreter(s). Please use the device connected to the meeting to hear the original voice of speakers.

Device for the meeting

&

Device for interprefy

The voice of speakers comes from your PC.

The voice of interpreter(s) comes from interprefy. (It works as a simultaneous translation equipment.)

DO NOT speak toward interprefy.

● Please use WIRED earbuds for interprety to avoid sound leaking of the translation voice in the meeting. Thank you very much for your cooperation.

● Please keep your microphone muted unless you speak.

When you are listening, please put the mute on.

When you speak, please off the mute.
